

ANGEL CAT PER ADOPTIONS 2010 HOLIDAY NEWSLETTER

Happy Holiday Greetings to our Angel parents and friends!

As we come to the close of our second year, we at Angel Cat Pet Adoptions want to extend our heartfelt thanks to all of our wonderful past adoptive parents and our new friends, without whose support we certainly would not be here today.

Because of you, we have been able to rescue, rehabilitate and re-home 92 cats and kittens. Thanks to your generous support, we have been privileged to provide many others with much needed veterinary care, spay and neuter surgeries, and even just food to eat.

Today, we have 34 cats and kittens in foster care looking for new furrever homes. All are in excellent health, happy and socialized. We do have one little one who came to us with a severe eye infection at 5 weeks old that left her without sight in one eye, but we do not consider her handicapped or unadoptable. Now, **Sugar** is a sweet, playful, happy 6 month old girl and we know there is someone who can look past this one little imperfection and welcome her into their family. Until that day comes, she is safe and warm in her foster home.

Our kits come to us in many different ways. Some are given up by their owners due to change in health or financial circumstances, some are dropped off in front of Petco taped up in cardboard boxes, some are literally thrown away. **Kohl** was thrown out of a moving car onto the pavement; a shop owner witnessed this cruel action and brought him to us. He was only about 7 weeks old. Today, he is a beautiful 4 month old jet black boy with no memory of his rough start in life. No matter how they come to us, we truly believe they are ANGELS and we treat each and every one with the love and kindness all innocent animals deserve.

We know it's been a tough year for everyone; many of us have lost jobs and even our homes. It's very sad that animals are sometimes left behind to fend for themselves through no fault of their own. We want you all to know how much we appreciate any and all of your faithful donations, no matter how small and we, here at Angel Cat Pet Adoptions, wish you and yours the happiest of this Holiday Season.

**Until there are none, please help to rescue one.
They will rescue you back 100 times over?**
